WHO *we are*

Located in the beautiful region of King Township, Ontario, Northern Wide Plank features only the finest quality specialty wood flooring.

Since 1988, the foundation of our company has been built on core values of quality, integrity, innovation and long term client satisfaction.

Through continuous research and innovation we are distinguished as leaders in our field in both aesthetics and technology. We provide a broad range of specialty wood flooring, from genuine reclaimed woods, to exclusive North American and exquisite European floors.

Our products are shipped around the world and can be seen in the most prestigious places from high-end estate homes to premium retail and hospitality establishments.

We invite you to view our website or make an appointment and visit our showroom to see our wide selection of specialty wood floors.

HISTORY RECLAIMED

Inspired and revived from the past

History Reclaimed floors are created from nearly forgotten antique wood, salvaged from old barns, historic buildings and other structures from within Canada and the USA.

Crafted into flooring of unmatched character and ageless beauty, these floors provide the opportunity to secure a tangible piece of history that is unique to our ever growing heritage.
